## **David Zembiec**

### **BIO**

David is the Deputy CEO for Jefferson County Economic Development, the organization charged with facilitating economic growth in the county through business recruitment, retention, and related activities. He previously served as the Director of Community Development for the NYS Tug Hill Commission—providing grassroots technical assistance to rural communities in the Tug Hill region. Dave has been involved in business recruitment and retention activities, workforce development, strategic planning assistance to communities and non-profit organizations, downtown revitalization and tourism development and promotion. He is past president of the Watertown Rotary Club; a board member and treasurer of the Fort Drum Regional Liaison Organization; board member the North Country Alliance; a member of the Career & Technical Education Advisory Committee for the Jefferson-Lewis BOCES; and serves on the advisory board for the Center for Community Studies at Jefferson Community College. He has a Master of Public Administration degree from SUNY Brockport.
