

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York General Municipal Law (the “Act”) will be held by the Jefferson County Industrial Development Agency (the “Agency”) on September 28, 2022 at 3:00 p.m. at the Town of Wilna Municipal Building, 414 State Street, Carthage, New York 13619 in connection with the matter described below.

WILNA PV, LLC, for itself and/or for an entity or entities to be formed (collectively, the “Company”), has submitted an application to the Agency requesting the Agency’s assistance with a certain project (the “Project”) consisting of: (i) the acquisition by the Agency of a leasehold interest in approximately 21.21 acres of real property located at County Route 41 in the Town of Wilna, New York (the “Land”, being more particularly described as a portion of tax parcel No. 68.00-1-40.1); (ii) the planning, design, construction and operation of (a) a 3MWac PV solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the “Improvements”); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the “Equipment”; and, collectively with the Land and the Improvements, the “Facility”); and (iv) entering into a straight lease transaction (within the meaning of subdivision (15) of Section 854 of the Act), pursuant to which the Agency will retain a leasehold interest in the Facility for a period of time and sublease such interest in the Facility back to the Company (the “Straight Lease Transaction”).

The Agency is contemplating providing financial assistance to the Company with respect to the Project (collectively, the “Financial Assistance”) in the form of (a) an exemption from all State and local sales and use taxes with respect to qualifying personal property included in or incorporated into the Facility or used in the construction and equipping of the Facility, (b) a mortgage recording tax exemption for project financing and (c) a partial real property tax abatement through a payment-in-lieu-of-tax agreement (the “PILOT Agreement”), pursuant to which the Company would make payments in lieu of real property taxes to the Agency for the benefit of each affected tax jurisdiction (the “Affected Tax Jurisdictions”).

In accordance with Section 859-a of the Act, a representative of the Agency will be at the above-stated time and place to present a copy of the Company’s project Application (including a cost-benefit analysis), which is also available for viewing on the Agency’s website at: <https://www.jcida.com/wp-content/uploads/2022/09/WPV-Application-and-CBA.pdf>.
